## WOMAN WEAK AND NERVOUS

Finds Health in Lydia E. Pinkham's Vegetable Compound.

Creston, Iowa.—"I suffered with female troubles from the time I came into womanhood until I had taken Lydia E. Pinkham's Vegetable Compound. I would have pains if I overworked or lifted anything heavy, and I would be so weak and nervous and in so much misery that I would be prostrated. A friend told me what your medicine had done for her and I tried it. It made me strong and healthy and our home is now happy with a baby boy. I am very glad that I took Lydia E. Pinkham's Vegetable Compound and do all I can to recommend it."—Mrs. A. B. BOSCAM, 504 E. Howard Street, Creston, Iowa.

**Tons of Roots and Herbs**  
are used annually in the manufacture of Lydia E. Pinkham's Vegetable Compound, which is known from ocean to ocean as the standard remedy for female ills.  
For forty years this famous root and herb medicine has been pre-eminently successful in controlling the diseases of women. Merit alone could have stood this test of time.  
If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Official reports from France give no definite details of the strength of the French movement in Alsace near the Swiss frontier, where Gen. Joffre is believed to be in command. Austrian troops have been hurried there to the aid of the Germans and an important battle is believed to be imminent.

Indications are that another forward movement of the main French force is in preparation near Metz, as official reports from Paris say the German troops have inundated the Selle valley between Metz and Nancy to hinder the French advance, but the quantity of water is understood to be insufficient to prevent the French forward movement.

Aside from the flanking movement through Belgium, by which the French assume the German army was trying to get to the rear of the great French
